BACKGROUND

4. The Fourth Conference of States Parties (CSP4) decided to entrust the ATT Secretariat with the administration of the ATT Sponsorship Programme from CSP4 (see paragraph 34 of the Final Report of CSP4 held from 20-24 August 2018 (ATT/CSP4/2018/SEC/369/Conf.FinRep.Rev1)). CSP4 also

‘directed the Secretariat and the Management Committee to elaborate the necessary protocols governing the administration of the ATT sponsorship programme by the ATT Secretariat, in consultation with States Parties and Signatory States, including a protocol to guide the selection process of the ATT sponsorship programme in order to ensure transparency, efficiency and impartiality in the work of the programme’ (paragraph 34 of the Final Report).

5. In accordance with this directive, the ATT Secretariat and the Management Committee elaborated the *Draft Administrative Guidelines for the ATT Sponsorship Programme* that included a description of the purpose of the ATT Sponsorship Programme and its operations, as well as Annexes setting out the general principles to be applied to the selection of applicants and financial protocols governing the use of funds. CSP5 considered and adopted the Draft Administrative Guidelines for the ATT Sponsorship Programme.

STATUS OF SPONSORSHIP FUNDING

6. The ATT Secretariat opened a bank account dedicated to the ATT Sponsorship Programme in October 2018 and issued calls for contributions to the ATT Sponsorship Programme on 18 October 2018, 27 September 2019, 12 November 2020, and 24 November 2021 in an effort to raise funds for the Sponsorship Programme.

7. As at 11 July 2022, the ATT Secretariat had received voluntary contributions from nine (9) donor states namely Australia, Canada, Germany, Ireland, the Netherlands, Portugal, the Republic of Korea, Sweden and Switzerland. To date, a total of **USD 1,066,554** in sponsorship funds has been received into the sponsorship fund (see Annex A).

8. The ATT Sponsorship Programme sponsored 16 delegates to attend the first series of Working Group meetings and the First CSP8 Informal Preparatory Meeting held from 15 – 18 February 2022. The total cost of sponsoring the 16 sponsored delegates to attend the February meetings was USD 59,785.20. The average cost of sponsoring each delegate was USD 3,736.57.

9. The ATT Sponsorship Programme sponsored 19 delegates to attend the second series of Working Group meetings and the Second CSP8 Informal Preparatory Meeting held from 26 – 29 April 2022. The total cost of sponsoring the 19 sponsored delegates to attend the April meetings was USD 71,109.70. The average cost of sponsoring each delegate was USD 3,742.61.

10. As at 11 July 2022, the ATT Sponsorship Programme had approved 35 delegates to attend CSP8 taking place from 22 – 26 August 2022. The total cost of sponsoring the 35 delegates to attend CSP8 will not be known until after the Conference, however, it is estimated to be USD 131,000.

SPONSORSHIP APPLICATIONS FOR THE CSP8 CYCLE

11. The ATT Secretariat issued its first call for applications to the sponsorship programme for the CSP8 cycle on 26 November 2021. The call for applications was issued to States, who were invited to apply for any and all of the meetings taking place in the CSP8 cycle by 23 December 2021. The ATT Secretariat issued its second call for applications to the sponsorship programme on 01 March 2022 with a deadline of 14 March 2022. The ATT Secretariat issued its third and final call for applications to the sponsorship programme on 31 May 2022 with a deadline of 17 June 2022.

12. As part of the application process, States were asked to nominate one delegate only to be sponsored and were required to submit a completed application form, a *note verbale* confirming the nomination of the delegate, and a copy of the passport for the nominated delegate.

13. By the deadline for each of the CSP8 cycle meetings, the ATT Secretariat received a total of 16 applications to attend the first series of meetings (taking place from 15 – 18 February 2022); 27 applications to attend the second series of meetings (taking place from 26 – 29 April 2022); and 38 applications to attend CSP8 (taking place from 22 –26 August 2022).

14. The same process for selecting applicants for approval for sponsorship was applied for each round. The selection process involved the following steps: first, the ATT Secretariat prepared a shortlist of applicants who were *eligible* to receive sponsorship. Second, the ATT Secretariat submitted the shortlist of applicants eligible for sponsorship to donors to the ATT sponsorship programme for review and consideration to ensure the list of delegates to be sponsored was consistent with donors' conditionalities. Third, subject to input from donors, the ATT Secretariat decided on the applicants to be sponsored for each ATT meeting. The ATT Secretariat then communicated the outcomes of the

selection process to all applicants and commenced logistical preparations for their attendance at the respective meetings.

SUPPORT TO SPONSORED DELEGATES

15. In addition to arranging flights, accommodation and *per diems*, as contemplated in the financial protocols associated with the Administrative Guidelines, the ATT Secretariat also held a briefing for sponsored delegates for half a day on the day before the First CSP8 Preparatory Meeting (14 February 2022) and the Second CSP8 Preparatory Meeting (25 April 2022). The briefing provided an opportunity to meet and greet the sponsored delegates in advance of the meetings; gave an overview of the sponsorship programme and what delegates' entitlements are under the programme; gave the sponsored delegates an overview of the Treaty and the work ahead for the approaching meeting; provided them with an overview of the Voluntary Trust Fund and its application process; gave the sponsored delegates an opportunity to participate in the briefing for National Points of Contact; allowed the delegates to meet with the President of the Conference; and ensured delegates received their full *per diems* at the beginning of the week as well as a package of all documents pertaining to the approaching meeting.

OVERVIEW OF SPONSORED DELEGATES

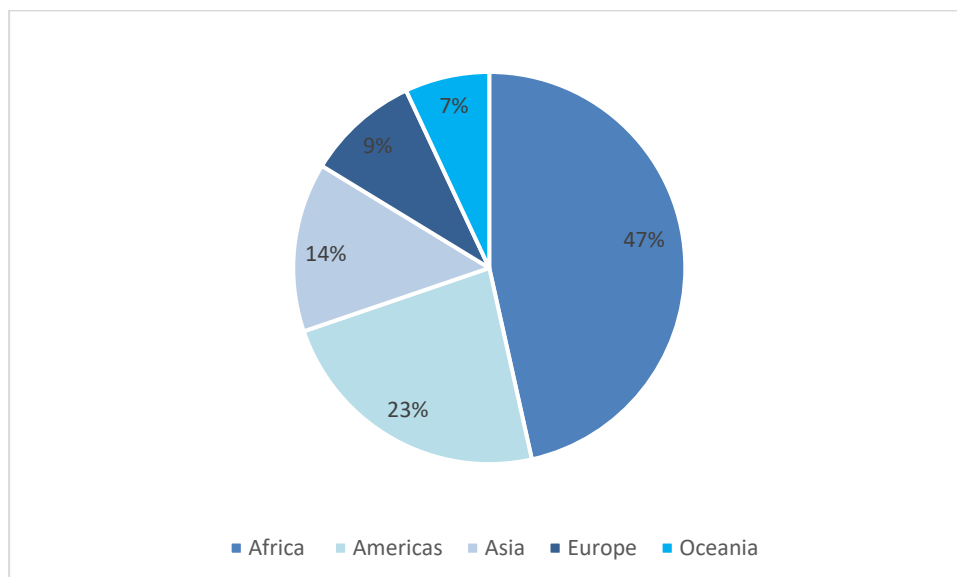

16. The criteria applied to the selection of applicants for sponsorship included consideration of OECD-DAC status; equitable regional representation; gender equality considerations; ATT status; and expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.
